Erin Baby!

Hey! How are ya? I'm  
so glad I got to know  
you this year! You are such  
a roll and a babe! I can't  
wait till next year we'll  
have even more fun than  
this year. Thanks for lettin  
me pig-out on your lunch.  
Enjoy the summer. Best of luck  
as a sophomore! ~~you're~~  
a really sweetie. Love ya.

P.S. You know  
you got an A on your  
Dinner Ed report (HAT HAT)

Friends Always  
Denise

— ERIN —

Well GEEK! I'm glad  
that were friends. You  
a real sweet girl and  
I hope that you achieve all  
that you want to. Enjoy school  
while you still have time. Stay  
sweet and be good. I'll come  
and see you next year and you  
better be playing on that  
Softball team

Love ya.

Keep Burch—

Erin—  
I'm glad we  
to be same  
school again.  
You're a great  
softball player.  
Have a great summer.  
Jacquelyn C.

Erin—  
I really will  
have it been  
trickiest friends  
but I really  
hope we won't  
try better next  
year. new in  
expect that.

Erin,

Sorry that you guys  
lost but maybe you  
can do it next year  
And next year you  
can be the star  
out there.

Love

Just  
H

ERIN,

I know we never  
were really friends,  
but maybe we can  
become friends next  
year. You really are  
sweet. I hope to see  
you next year. Have  
a nice hot summer.  
Love ya,  
Kim Donald

Erin, your  
a sweet friend  
And an excellent  
soccer player. Congratulations  
for making varsity. I'm not  
going to see you next year,  
but I can you. Have a great  
summer. Take care I'll miss you.

Love ya,  
Kim  
Cole

Dear Erin,  
Thank for all your  
friendship & company  
especially this year.  
Good luck next yr -  
I'll miss ya!  
'85! Love,  
Judi S. Dering

Erin, you go  
to this school next  
year and hope you  
have a great summer.  
Congrats  
Christina

Erin,

I really sorry you have to  
go here next year! But I think  
I'm in the same boat! You're a  
totally great friend and I'll  
never forget you!

Love always,  
Kelly

KIT

Love ya!  
Dear Erin,  
Kit

Dear Herman  
I know you  
are crazy? "I thought  
I was a pussy-cat".  
You said security  
officer followed you  
at the mall?  
Love  
Mrs. H

La Reina's "Friendship Week" succeeded in promoting class interaction and school spirit for the new school year. Each day included various activities such as an egg toss and a wacky fingernail contest, in which class members competed for the coveted green and gold pennants.

With "The Best of Times" as the theme, each class depicted, on La Reina High Day, the time period of its choice. Seniors chose "The Roaring Twenties", Juniors turned to the "Renaissance", Sophomores viewed the "Future", Freshmen foretold "Life After Death", the Eighth Grade hit the high spots of "The Sixties" and the Seventh Grade had fun with "Circus Time".

Homerooms were decorated accordingly and all students were in costume.

# THE ACADEMIC DECATHLON

*Kelly Jonassen, Cathy Glover, Lisa Tobin, Dede Wood, Wendy Anderson, Stefanie Buck*

**F**or years, La Reina's athletic teams have demonstrated their skills in court competition. Our Speech Teams have received many awards and have gained statewide recognition. However, La Reina's academic achievement has seldom received recognition outside of school. Some things must change. This year, six students accepted the challenge to compete in the First Annual Academic Decathlon. Wendy Anderson, Stefanie Buck, Cathy Glover, Kelly Jonassen, Lisa Tobin and Dede Wood combined team spirit and long hours of study to capture second place. Sharing in this victory were coaches Sister Mary Sheila and Mrs. Tricia Bartolomei, as well as all their teachers.

In addition to the overall rank of second place, La Reina received high scores for the day in the Essay, Speech, Literature and Grammar and Fine Arts competitions. La Reina has made its mark in academics as well as in forensics and athletics, proving that though small in number, we are big in heart.

*La Reina's Religion Department offers a variety of courses in which the students receive instruction in the background, doctrine and practices of the Catholic Church*

*"Introduction to Religious Studies" is the first course in the high school curriculum and it provides a foundation for the succeeding courses. Freshmen are introduced to the basic concepts of faith and doctrine and their meaning in the modern world. Sophomores divide their school year between one semester of "The Life of Christ" and one semester of "Christian Womanhood."*

*In the junior year, the students study the origin and history of the Catholic Church and its role in the world today. This course, "The Church", seeks primarily to develop a love and reverence for the Church as the Mystical Body of Christ*

*Since, for most students, marriage will be the most important step, "Christian Marriage" is offered for all seniors to prepare them to make that step with confidence. This course examines all areas of married life including, sexuality, communication, finances, domestic problems, and compatibility*

*At La Reina, religion classes are taught both by Sisters of Notre Dame and lay faculty members. Teachers within the Religion Department strive to guide their students in the ways of Christ and to enable them to better understand the meaning of the Catholic faith.*

# ENGLISH

**T**he English Department of La Reina emphasizes a well-rounded study of grammar, literature and composition. Under the direction of Mrs. Mildred Lynch, La Reina's English teachers lead students to an appreciation of literature and toward communicating with clarity and precision.

La Reina's college preparatory English program has successfully prepared students for Advanced Placement testing, the Scholastic Aptitude Test and college entrance exams.

Training begins in junior high with the study of grammar and an introduction to writing skills. Basic research skills are taught in separate reading classes.

In senior high classes, literature is added to the basic foundation. As the result of restructuring of the English Department, sophomores study American Literature, juniors take English Literature, and Comparative World Literature is the core course for seniors. The study of novels is an integral part of all high school courses.

The aim of the department is to develop and perfect the writing skills of students and, in their study of literature, to help them understand the human condition.

# FOREIGN LANGUAGE

**A**s the world becomes smaller it becomes more and more necessary for people of all nations to be able to communicate with each other. La Reina's Foreign Language Department strives to teach students not only the command of another language but also an understanding of another culture.

The three language teachers, Mrs. Hedrick, Mrs. Woodall and Sister Marie Therese teach all phases of the three languages offered at La Reina. Mrs. Hedrick teaches junior high French. Mrs. Woodall teaches Spanish I and II, and Sister Marie Therese teaches French I, II, III, IV, Spanish III and IV and the Italian seminar.

In the 9th and 10th grades students are taught the basics of their language. In the 11th grade they study more advanced material, including essay writing, and in the 12th grade they review grammar, continue to write and read works written in the language.

The goals of the Foreign Language Department are to develop a student's ability to converse, read and write in a foreign language and to foster a respect for other cultures. At La Reina the emphasis is on a well-rounded student, one who is comfortable with another country's language and way of life.

Math classes at La Reina range from basic math taught in the junior high to pre-calculus which can be taken in the senior year

The years between the seventh and twelfth grades are filled with Math 9-10, Algebra I, Geometry, Advanced Algebra, Math IV and Math V. Math 9-10 involves general math, basic algebra, and numerical geometry. In Algebra I, problem solving skills and the understanding of the real number system are stressed. Geometry builds logical reasoning. An introduction to trigonometry and work with polynomial equations are included in Advanced Algebra. Math IV consists of statistics and computer programming and Math V is a pre-calculus course

A thoughtful curriculum is challenging it prepares the students well for future contact with math in college and in their careers

# SCIENCE

*The Science Department at La Reina High School offers elective courses which open doors to many areas in life, earth and physical sciences*

*Life Science is a practical study of the characteristics and functions of living things. Biology is designed to instill in the students a comprehension of both biological science and the scientific enterprise. Chemistry is designed to give a basic understanding of the composition and chemical properties of matter and the main principles governing the material world around us. The laboratory course, Physics, presents the major concepts involved in the observable phenomena of the physical world.*

*Psychology, the study of behavior, explores what people do, how they think, and why they act as they do. A special project of Regent psychologists is to care for a fertilized egg for five days as if it were their own child. Through this experience they learn the effect of heredity and environment on children.*

*These courses help students to learn more about the world in which they live.*

# ART DEPARTMENT

*Cathy Linton and Carrie Latrevere*

**A**rt is a required course in junior high at Reina. Students are taught the basics of art, such as contour drawing, positive and negative spaces, color, completion drawing and sculpture. They are also taught about great artists like Leonardo da Vinci and Michelangelo. The course is intended to inspire a respect for the arts, and to foster an interest in art for personal pleasure. Art is an elective for grades ten through twelve. High school art is a highly innovative course, designed to meet the needs of the students. It begins with the basics, such as negative spaces and upside down drawing. Then the student can progress to calligraphy, prisma color, sculpture and charcoal renderings. These are but a few options for the student may go into any area of art she chooses.

# SOCIAL STUDIES

“While we read history, we make history.” If this statement by George William Curtis is true, then Regents certainly fit the description. The Social Science Department at La Reina offers its students a comprehensive background in American History as well as World History and culture.

Beginning with the seventh grade, students are introduced to a general history of the United States and then move on to a diversity of social science courses which culminates in the senior Government class.

Between the seventh and twelfth grades students sharpen their knowledge of world history and culture in the eighth grade Cultural Geography and the freshman World History courses. Juniors take a United States History course which broadens their knowledge of American history and prepares them for the senior Government class.

Each course offers unique instruction involving periodic projects and independent study which encourage students to develop their own interests.

As La Reina students learn history, perhaps they are making history which will affect the lives of future Regents.

# GUIDANCE

Miss Lynn Chappell  
Guidance 8, 9, 10

**T**he Guidance Program at La Reina plays an important part in each student's life. Counselors provide guidance for each Regent's educational program, both in Guidance class and on a one-to-one basis.

Counselors meet with students individually to discuss academic programs and problems as well as personal problems, goals and future plans.

Guidance classes meet once a week to provide information to students regarding graduation requirements, college entrance requirements, career information, financial aid information and college entrance examinations. Counselors also help La Reina students understand themselves and the people in their lives.

# BUSINESS

**U**nder the direction of Mrs. Marie Nussmeier, the Business Department has afforded Regents the opportunity to develop important skills for future advancement in the business world.

Consumer Education is a requirement in the first semesters of both junior and senior years. As juniors, students are concerned mostly with money management. In the senior year, students pay special attention to income tax, housing, transportation etc.

Accounting is a beginning course in which students learn all processes of full charge bookkeeping. Typing 1 is a one year class in which students develop the skills and techniques of basic typing, such as touch control of the keyboard and a reasonable degree of speed and accuracy. Typing 2 is an advanced typing class for the student interested in an occupation utilizing skilled typing. They are given actual office practice by providing services for teachers throughout the year.

The personal typing class is a once-a-week seminar in which the students become familiar not only with basic keyboard skills but also with theme and report writing, footnoting and bibliographies and standard letter styles. Each skill taught in the department prepares the students for a possible career in the business world.

# READING LAB

**T**he Reading Lab is basically an enrichment program for the students in the seventh and eighth grades. Good literature is introduced through the study of novels written for these grade levels.

Proper library and dictionary skills are taught to benefit the students. Through audio-visual aids vocabulary is enlarged. The development of correct study habits is emphasized in the course.

The reading lab is well-equipped with bookshelves full of short stories, novels and books of mystery and adventure.

# PHYSICAL EDUCATION

Dear I run,  
what a year it's been.  
I thank you for making it so  
special - for me in sports and  
recreation I've enjoyed it so much  
and thank you for being a  
valued young leader  
to practice hard and to  
strive to be a superior  
athlete. I've learned with the  
help of you in my class  
and I'll be glad to see you  
enjoy the program.

**T**he Physical Education curriculum  
at La Reina is designed to allow  
each student to learn about and  
participate in a variety of sports and physical  
activities.

The junior high, ninth and tenth graders are taught physical fitness activities, calisthenics and team sports such as volleyball, basketball, softball and soccer. The eleventh and twelfth graders are given the option to learn individual sports such as swimming, dancing, hiking, tennis, racquetball, ice and roller skating. The juniors and seniors are also offered a P.E. seminar which involves them in the P.E. instruction of the lower grades.

All students are greatly encouraged to join the many teams at La Reina: volleyball, basketball, softball, tennis and cross country.

*Sister Marie Therese, S.N.D.  
Italian*

**I**n addition to the full-credit courses offered at La Renna, students have the opportunity to choose from a variety of special seminars

Sister Josanne introduces students to modern, basic, computer programming skills. The journalism seminar, taught by Mrs. Mildred Lynch, enables students to participate in the production of the Courier by writing copy or drawing layouts

A recent addition is the Great Books Seminar also taught by Mrs. Lynch. Available only to seniors, this seminar introduces students to the writers of the Great Books of the Western World as they pursue some of the Great Ideas from the Great Books

A handicrafts seminar is offered to all students by Mrs. Eileen DeBruno who offers instruction in knitting, crocheting and rug making. Mrs. Nussmeier offers a seminar class in typing as well as regular classes in business subjects

These partial credit courses are offered once or twice a week depending upon the demand for the classes

# ACTIVITIES

# THANKSGIVING

**T**o start the Thanksgiving season on November 24, the Regent high school speech team presented "In My Day", a theatrical review. This novel idea was suggested so that the "speechies" could demonstrate their talents.

Directed by Mrs. Tricia Bartolomei with original material by Dede Wood, the review enjoyed great success. Students performed drama, comedy and original prose while Wendy Grasmehr, Allicia Beck and Heather Moon directed lighting.

The Regent speech team hopes to make the review a La Reina Thanksgiving tradition.

*What the matter with the team I guess.*

*I am Arthur, King of the Britains.*

*Well, I guess this is a good day, or good night or good evening.*

# CHRISTMAS TIME AT LA REINA

**T**radition plays an important part in life at LaReina and at no time is that more evident than during the Christmas season which begins with Advent

During Advent, an empty manger is placed in the chapel and each time a girl makes a visit, she puts a piece of straw in the manger. On the last day of school, at a special Mass at St. Paschal's, the youngest girl in the school is given the privilege of placing the Infant in the straw-filled manger

Following Mass, Student Council presents a Christmas program at which gifts are distributed to the faculty. In addition to these activities, LaReina's Glee and Choral Clubs delight audiences with Christmas pageants and concerts in the school and the community

The large torch represents the powerful burning love of Christ and the smaller torches signify the flames of faith burning in each of us. We have the same flames signifying our unity but we have decorated them ourselves, signifying individuality. Lastly, our name "Champions" reveals our desire to reach our goals.

**I**f you had told us, five years ago when we were entering La Reina, that today would be one of the most special and memorable days of our lives, none of us would probably have believed it. Our attitudes have changed greatly since then. As a class, we have heightened our potential, becoming more united and more deeply committed to one another. Each junior has offered her unique talents to make this class what it is — a strong and unbreakable bond of friendship, love, respect and honor. We have come together as a real family; we can share freely with one another the most personal of our possessions — our own selves. That is the meaning behind these rings. They symbolize also what each of us would say if the poet Byron had not already said it for us: "I feel what I can ne'er express, yet cannot all conceal."

Thanks to the love and support of our teachers, our parents and God, this junior class has risen in triumph to earn the title, Champions of 1984. We may never go on to win Olympic medals, but the rings we have received are rewards just as prestigious and even more significant.

**Y**earbook people are special. Those who are really dedicated to the proposition that each year's book can be better than the one before extend a great deal of time and effort to prove that point. They also make life easier for the moderator.

From summer camp to the last deadline, the Yearbook has meant WORK, and I express my deep gratitude to all those who helped produce another CHERIER, especially to Nikki Duda and Elaine Villanueva. Well done, good and faithful Yearbookers!

# THE COURIER STAFF GOES WESTERN

**T**he Stagecoach Inn, California's Historical Landmark #659, was built in 1876 and its restoration has been an important part of the work of the Conejo Valley Historical Society. Its redwood lumber came by sea and was freighted up the steep Conejo grade by multi-team wagons.

The Inn served as a regular depot for the coast stage line which carried both passengers and mail. The COURIER staff salutes the work of the Society in restoring so well a part of the Conejo's history.

## STUDENT COUNCIL

## SERVICE COUNCIL

**T**he purpose of Service Council is to develop a sense of responsibility and to provide opportunities for students to offer services to the school.

In a spirit of loyalty and cooperation, Service Council members assist the administrative staff and faculty in performing duties associated with the efficient operation of the school. In this way members earn the necessary points required to run for a Student Council office.

**T**he Advanced Glee Club is a group of dedicated students who, to put it simply, love to sing.

The year's activities began in September with "Music Madness", a music workshop. Here the members of both Glee and Choral devoted a weekend to rehearsing and memorizing songs, making friends and having a good time. For the Christmas season, the girls participated in an "old-fashioned" Christmas concert and caroled in LaReina's halls.

In the spring, Glee Club members took part in the Spring Music Festival. Here they had the opportunity to display individual talents as well as those of the group.

Under the patient direction of Mrs. Susan Wilber, the Advanced Glee Club succeeded in cultivating a greater interest in and appreciation of good music.

## CAMPUS MINISTRY

**C**ampus Ministry promotes the Catholic ideal in interpersonal relationships and helps in the formation of a true community of faith in which teacher and students experience together what it means to live a life of prayer, personal responsibility and freedom reflective of Gospel values.

The group coordinates student body Mass, paraliturgical services and other prayer experiences. It also organizes various service projects that will provide the student body with opportunities to share in the mission of the Church.

**T**he purpose of Regent Players is to develop an interest in the dramatic and applied arts, to develop acting skills as well as technical abilities and to contribute to the students' cultural growth and refinement.

Regent Players also include the production staff who have the tedious task of organizing ticket sales, putting the program together, selling refreshments and ushering during performances. The designing and building of sets as well as the making of costumes and applying of make-up are all accomplished by Regent Player "techies." In true Regent tradition, this year's production, "The Flower Drum Song" was a great success.

# CALIFORNIA SCHOLARSHIP FEDERATION

**T**he purpose of CSF is to promote scholarship, citizenship and service for La Reina students in accord with the California State Honor Society.

Membership, although based on GPA and service, is not automatic. Students must submit applications for each semester for which they are eligible. Minimum requirement is 10 points per semester (A=3pts; B=1pt.) for academic subjects. Students can earn the coveted "CSF seal" by maintaining the GPA requirements and by providing some school service in academic projects.

Moderator: Sister M. Sheila, S.N.D.

**L**e Regina's speech team once again proved worthy to meet the competition of speech teams around the state. Faring well in league and invitational tournaments, the Regent speeches captured individual and sweepstakes awards and won a glowing reputation as a quality team.

The speech team has not only a knack for competition but for performance and service as well. In November the Regent speakers temporarily tossed aside conventional forensics to present "In My Day", a theatrical review. In December, the team demonstrated their commitment to community service while using their storytelling talents to entertain hospital-confined children.

A. members are a spirited group, enthusiastically leading La Reina's championship teams to victory. They rival speech club members in their ability to make noise. G. A. A.'s bartered moderator, Miss Cathy Wahr, along with the officers, plan many activities including volleyball, softball and basketball intramurals, the junior high volleyball tournament, progressive dinner, Christmas caroling and sports banquets. It was a year of successive honors for La Reina's 1982 tennis team. Unprecedented accomplishments were made this season with the completion

of a perfect 8-0 league record for the capture of the Tri-Valley crown, a record quarter-final advancement in C.I.F., the naming of our number one player, Xandra Constan, MVP for all of the Tri-Valley, and the nomination of three of its players to the All League Team. (This team allows for only seven members.)

Although this year's team had no seniors to add to its strength, it is apparent by their strong showing against tough 3 and 4A schools, that none were needed. With nine freshmen, three sophomores and three juniors, next year's team should be even better

At the awards banquet on January 7 the following awards were made

Most Valuable: Xandra Constan

Most Inspirational: Lisa Martinez

Most Improved: Tracy Barnacle

**T**he Regents finished the year 12-0 in the Tri-Valley League to complete their first-ever unblemished league campaign. LaReina was 20-4 overall and headed into the play-offs as the CIF's second-rated team in the 1A Division.

"We went through the season as a family," said Coach Cathy Mohr. "If ever I had a team that was going to go undefeated in the league, it was this group."

The Regents finished their regular season by defeating second-place Bishop Diego 71-48. Bishop, 9-1 in league, had dropped its lone decision to LaReina in overtime. The Regents polished off the Cardinals with player balance highlighted by a hustling defense and clutch, outside shooting on offense.

## Mohr Scores Big Points

**I**t was during La Reina's 70-23 thrashing of St Bonaventure on January 14 that Margaret Mohr accomplished her greatest milestone in scoring

In scoring 17 points that day, Margaret surpassed the 1,500 point mark for her high school career. For attaining that scoring plateau, she will receive a silver medal from the Stayfree Wade Trophy Medals Club. The medals club was instituted for the purpose of providing both honors and inspiration to outstanding high school athletes aspiring to become Wade Trophy winners in college.

Margaret has played 102 games and scored 1,656 points for a 16.2 average. She netted 266 points as a freshman, 413 as a sophomore, 506 as a junior and this year had 469 in 24 games. She was also voted Most Valuable Player in both the St Anthony and Simi Valley Tournaments.

## JUNIOR HIGH G.A.A.

**T**he junior high counterpart of the Girls' Athletic Association is smaller in membership and in the average size of its members, but is not less important. As well as playing on and supporting junior high teams G.A.A. members are devoted fans of the high school teams.

The major event exclusively for the junior high is the volleyball tournament held in the fall. High school players referee and other members help run the tournament while junior high volleyball players cheerleaders compete.

One characteristic sums up the junior high G.A.A. What members lack in size, they more than make up for in spirit.

# JUNIOR HIGH REGENT PLAYERS

**A**lthough it is not a separate club in itself, Junior High Regent Players is an important division of the Regent Players. These younger members are among the most devoted workers and enthusiastic members of our casts and crews.

Without their contributions and support, the latest Regent Player production, "The Flower Drum Song", would not have been the tremendous success that it was. Bravo, Junior High!

**T**he Junior High Cheerleaders are an enthusiastic group who have attended and supported all volleyball and basketball teams in their home and away games.

All seven girls attended the Camp of Champions cheerleading clinic at Pepperdine University in Malibu last August. The group won third place in spirit competition at the La Reina Junior High Volleyball Tournament in October. They will attend the CYO Drill and Cheer Competition at La Salle High School in Pasadena later in the school year.

The girls are coached by Tasha Billaualla and the Faculty Moderator is Mrs. Eileen DeBruno. All seven cheerleaders somehow manage to scrunch into Mrs. DeBruno's merry Oldsmobile to get to games!

## "The Oak"

Symbolizing the strength of a community and our commitment to the concept of hometown banking

We didn't just grow. We saw a need and met the challenge of bringing innovative banking and hometown service together.

We're still growing. With our growth, we will continue to offer a wide range of unique services and provide personal attention to meet the needs of our customers.

Our roots are here and we're dedicated to banking with the same spirit and imagination on which the Conejo Valley was founded.

# WE MAKE OUR RIBBONS THE WAY WE MAKE OUR PRINTERS.

## VERY, VERY WELL.

Dataproducts makes the finest printers in the world. And we want the ribbons in our printers to be as good as our printers.

So, we make them ourselves.

They're called Dataribbons.

There's a Dataribbon® for almost every brand of printer on the market.

Each Dataribbon is made with the same engineering expertise and process control techniques we use in manufacturing our printers. So each Dataribbon meets the same rigid and precise printing requirements that have made Dataproducts printers famous

the world over for quality and dependability.

Whether you have a Dataproducts Burroughs, Honeywell, IBM, NCR, Univac, or other top name printer, call the dependable supplier - Dataproducts, and ask about Dataribbon.

We wouldn't settle for anything less in our printers. Neither should you.

**A**s editor of "The Best of Times," I have found the whole yearbook experience one that I will never forget. All of the hard work, the long hours and troubles with doing layouts, cropping pictures and writing copy are fond memories because of the people who shared them with me. All of the great times "The Best of Times" will stay with me forever, and I thank Mrs. Lynch and my assistant editors for becoming the very special friends they are to me.

There are many people who deserve thanks and recognition for the numerous contributions they have made to the yearbook. I would especially like to thank the following people:

- the faculty and students of La Reina for their support and cooperation.
- Sister Joan Sutter, for enthusiastically running the Courier Drive and making this production possible.
- the yearbook staff for its help, cooperation, and ideas.
- Kimmie Kriech, our Herff Jones representative, for all her very appreciated guidance, support, advice, and encouragement.
- Asst. editor Stephanie Saunders, for all the long hours of devoted work, the rides home, and for becoming a very special friend.
- Asst. editor Elaine Villanueva also for all the long hours she put in, and for being such a dependable staff member and friend.
- And most of all, I owe many thanks to Mrs. Lynch, my Courier advisor, for her constant devotion, generosity and patience, and for all the times she thanked us when we should have been thanking her. My constant insistence that "little pictures and bizarre purple color combinations would make the yearbook better, was enough to drive anyone mad, and I am sure that there were many times when she was on the verge of "Lynching" me. Believe me I deserved it! I truly appreciate all the patience she exercised with me and hope that she has enjoyed the challenge of this year's yearbook as much as I have. Here is a friendship that I will always treasure.

Love,

Nicola (Nikki) Duda

Erin,

Hi, I'm really glad I got to know this year through softball. You're really a sweet person and I'm glad we're friends. We both have a while at Lakeina so I'm sure we'll become better friends! Keep up your softball. You're really good player and you have a lot of potential and I'm sure you'll help the team a lot. Next year we're gonna do really good. Hope you have a fantastic summer. BE GOOD! I'm sure somehow, somewhere we'll see each other over the summer! Stay sweet + keep smiling 

Love + Friendship,

 Danielle

Erin,

I'm glad we got to know each other a few years ago! I know we haven't seen or talked to each other a lot this year. Maybe we can get together this summer! Thanx for helping me at the beginning of the year!

Call me  
you know  
my #.

Love ya lots  
Julie

Friends  
Forever

Even,

Well Baby our Freshman  
year is over. We had  
some good times...

Dances, food, buses,  
work, fun, boating,  
shopping, water skiing,  
Barrow, Passu Sane,  
Moonpark, (yukk),  
Pop Rallies, Friendship  
Week, State, Teachers',  
Movies, Soaps, Oake,  
Food, eating, Pizzas  
Friendship!

So some might not of been  
so great but we were  
always together doing  
them and that's what  
counts.

So I would like to tell  
you of what a great friend  
you've been throughout the  
year. You've Been...

(I'm sure you  
won't mind)

concerned, giving,  
sharing, caring,  
helpful, fun, and  
these are just a few.

So good luck to a  
great, bestest Friend in  
the future. May you  
reach all your goals.

Love Ya,  
Puddie

Where I  
There O

So I  
guess we  
can say  
these are...

**The best of times . . .**
